ISAF 2024

WELCOME REMARK FROM HOST COMPANIES.

We welcome all Eminent Speakers, Representatives of our Partners Schools, Institutions, Sponsors, Edu-business entrepreneurs, Parents and Guests from all over the world to the first edition of the **International Study Abroad Fair (ISAF) 2024**, a largely in-person event and partly digital with some of our international speakers and panellists joining us online.

To all prospective students, ISAF 2024 is a commitment to your lifelong success and it begins today. To every professional and industry expert, it is an honour to have you here and we earnestly hope that you gather a substantial wealth of knowledge and network from ISAF 2024.

This event, themed *Accessing Education beyond Borders; Embracing Global Opportunities* aims to gather Stakeholders, to discuss and explore the benefits associated with International Education which aligns with the vision of global economic expansion.

ISAF 2024 provides an opportunity for students to access International Education through the Fair. Highly experienced Counsellors will be on ground to attend to questions and clarify every enquiry about programme details, Financial aids and Scholarship opportunities to suit your study abroad goals while also creating a platform for discussion and networking centred on exploring Edu-business opportunities through the Conference. To achieve this, we have brought together a diverse group of participants, including key players and invited guests from the global education sector, fostering collaboration and the exchange of insights as all actively contribute and share knowledge.

The end goal is to make study abroad a stress-free process from end-to-end and to immensely contribute to the country's growth.

This event is jointly hosted by Edu4UPro Limited Nigeria and TPSeal Education United Kingdom.

Thank you and we hope you have a rich and wholesome experience at ISAF 2024!

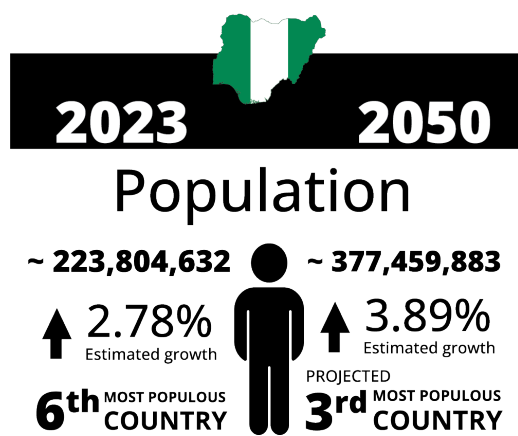

Lady Tolu Eledan
Managing Director,
TPSeal Education United Kingdom.

These diverse audiences include business and educational experts, prospective students exploring undergraduate or post-graduate programmes overseas, individuals contemplating volunteer opportunities, employment or internships abroad, as well as those considering a gap year or career break and even travel adventure.

YOU SHOULD ATTEND IF YOU ARE:

- ▶ Parent and Guardians
- ▶ International Development Partners
- ▶ Educational Institutions
- ▶ Public and Private establishment
- ▶ Inspired to broaden your horizons
- ▶ International Education Consultants
- ▶ Researching Universities for exchange programmes
- ▶ Corporates and Private/Public Organisations Offering Scholarships
- ▶ Looking to take advantage of Working Holiday Visas to work abroad
- ▶ Considering a gap year or a career break
- ▶ Wanting to travel and experience the world
- ▶ Wanting to upgrade your education or skills, or change career path
- ▶ Prospective student looking for undergraduate or postgraduate programme abroad

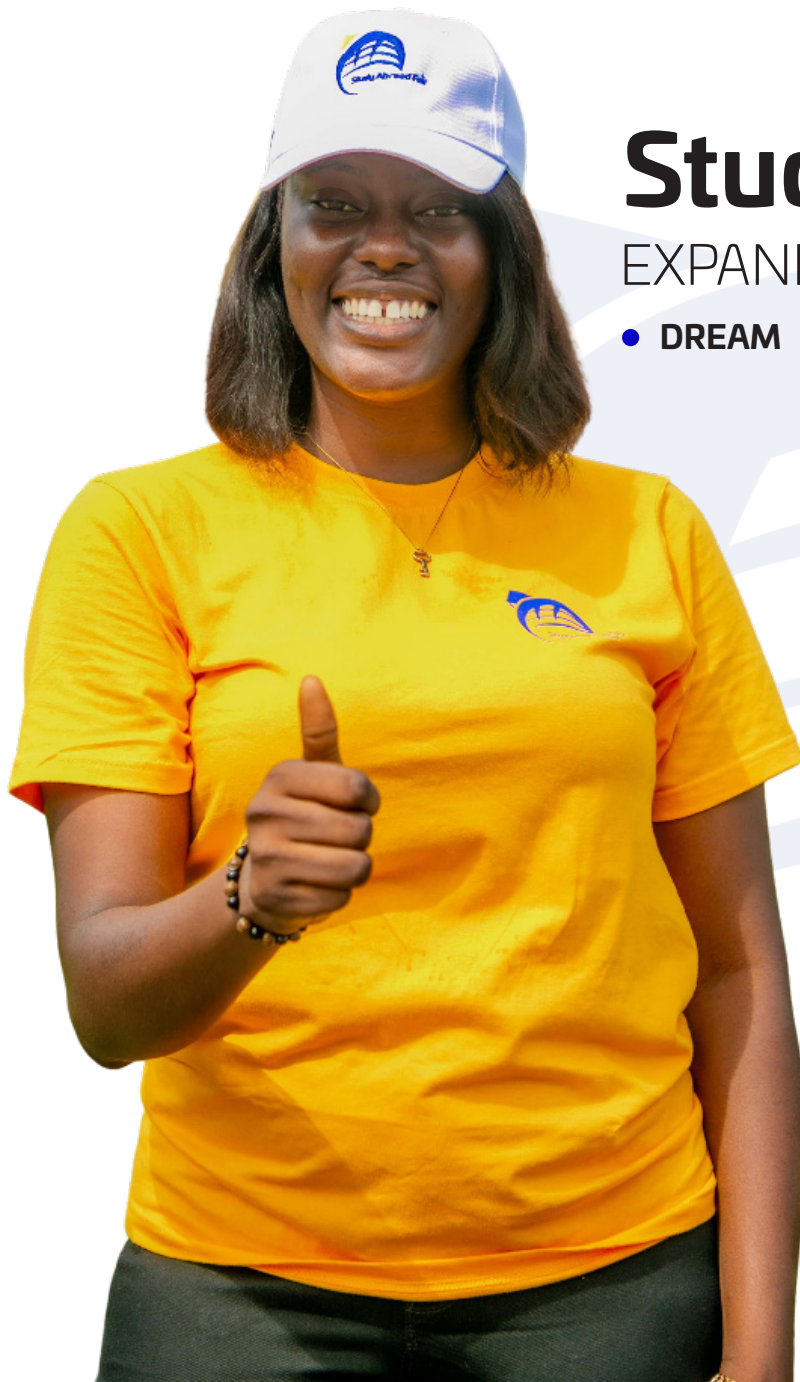

WHY STUDY ABROAD.

Studying abroad is a life-changing experience that opens up a world of opportunities and possibilities. It offers numerous advantages that can sharpen one's academic, personal and professional growth.

- ▶ **Quality Education:** Studying abroad often provides access to high-quality educational institutions with world-class faculty, advanced research facilities and cutting-edge technologies. Institutions in countries like The United States, The United Kingdom, Canada and Australia consistently rank among the best globally, offering a wide range of academic programmes.
- ▶ **International Experience:** Studying in a foreign country exposes students to diverse cultures, languages and perspectives. This international experience is invaluable for personal growth and broadening one's horizons. It encourages adaptability, open-mindedness and cross-cultural communication skills.
- ▶ **Career Opportunities:** Employers worldwide value graduates with international experience. African students who study abroad often enjoy improved employability prospects, as they have demonstrated their ability to adapt to different work environments and collaborate with individuals from various backgrounds. This global exposure can be a significant advantage in the job market.
- ▶ **Networking Opportunities:** Studying abroad allows students to build a global network of friends, colleagues and mentors. These connections can be instrumental in finding job opportunities, exploring international collaborations and staying informed about global trends and opportunities.
- ▶ **Language Proficiency:** Immersing oneself in a new language environment is one of the most effective ways to become fluent in another language. Whether you are studying in a country where the language is different from your native tongue or not, you will likely improve your language skills, which is a valuable asset in today's globalised world.
- ▶ **Research and Innovation:** Studying abroad often provides opportunities for research collaborations and innovative projects. African students can contribute to international research initiatives and gain exposure to different research methodologies, which can positively impact their academic and career growth.

◀ | WHY STUDY ABROAD (Cont'd)

- ▶ **Personal Growth:** Living independently in a foreign country encourages personal growth. It fosters independence, problem-solving skills and resilience. African students return home with a stronger sense of self, self-reliance and a greater understanding of their own values and aspirations.
- ▶ **Exposure to Different Educational Systems:** Studying abroad exposes students to different educational systems and teaching methods. This exposure can stimulate intellectual curiosity and promote academic excellence.

EVENT PREPARATION.

To fully maximise the opportunities presented by this significant event, advance preparation and post-event follow-up is important. Here are essential guidelines to ensure you make the most of your time at the International Study Abroad Fair 2024.

BEFORE THE EVENT

- ▶ **Research:** Explore the list of participating institutions and decide which ones align with your educational goals. Read the profiles of the institutions that are of direct interest to you. If you are not sure of what study topic you want to pursue, start with the countries you want to study in; you can sort by country and see which schools are located in which countries and explore from there.
- ▶ **Questions:** Prepare a list of questions to ask the expert Counselors and Universities during your visit.
- ▶ **Documentation:** If you already know what you are looking for, bring along your transcripts, portfolio, résumé – whatever you have already on hand to present to the Counsellors. If you don't have them, that is okay as well – you will find out what you need once you discuss your plans.

DURING THE EVENT

- ▶ Use the event guide you will get when you enter to navigate your way around the hall. Do not hesitate to ask for help from a Help Agent standing close to you.
- ▶ Discuss your need with the first stage Counsellors, they will lead you to the specific Counsellors for your needs.
- ▶ Ask as many questions as you need to; the event is for you to research and learn about the many institutions in attendance and how to start your study abroad journey.
- ▶ At the Fair collect vital information from your study abroad Counselor.
- ▶ At the Conference, connect with other delegates and potential collaborators.
- ▶ Come with an open mind and a willingness to participate in discussions.

◀ | EVENT PREPARATION (Cont'd) •
